Dear Santa,

[redacted] Nicholson Ave

We are now living at:

Address: [redacted] Danbury Dr

City Signal Mtn State TN Zipcode 37377

Phone No. [redacted]

Our family consists of:

Joe & Julie ([redacted])

dogs: Sadie, Fred + Bear

cats: Sherman + Cleo

Our Katrina experience was:

We evacuated with our pets + 3 days of clothing on Sunday morning. I believed with all of my heart that our house was OK until 2.5 weeks after the storm we returned. Sadly there is only a concrete slab left. We loved our house, our community + our life there.

Write something special that you would like Santa to bring you or your family:

Praise the Lord, our insurance company (Lexington) paid our full policy limits + waived our deductibles. We didn't have flood insurance, so we were very worried.

Please use back or another sheet of paper, if you want to write more. We want to hear your story. over →

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

So, Santa, all we need is a home. We are living with my mother. She gladly welcomed our pets too. We are all adjusting. Joe's business ([redacted]) is largely based in New Orleans, so we have to figure out what to do with it. His client base is down about 30% — not too bad considering.

We've decided not to do anything until after Christmas. Something is bound to happen by then.

Our prayers are with the people in Wayland. Please give our presents this year to them.

Best wishes,

Julie
